- I will provide all of my players with related league information and materials including league scheduling, rules, equipment requirements, etc.
- I understand that rained-out games might not be made up depending on availability of the field/arena. I also understand that the make-up games may be played on a different day than our regularly scheduled games. I understand that the games may be rescheduled on Saturday or Sunday.
- I will submit a roster with each player's signature and correct information along with a copy of each player's I.D. prior to the first game of the season. In addition, I will pay the registration fee in full prior to the first game. I understand that a failure to do any of the above will result in a forfeit for my team.
- I will discuss the league rules (available in the arena office) and the YMCA code of conduct (found in the YMCA brochure) with all my players prior to the first game.
- I understand that practices are not included in the league fee. Furthermore, I understand that although the arena is rented, it is done so on a first-come, first-served basis and there is no guarantee that time will be available for our team to rent. I understand that the recreational programs have first priority for arena use.
- Myself, or my players, will at no time argue with the referee or the arena supervisor over a call or ruling during a game. I understand that to do so could result in dismissal from the league.
- I understand that fighting, which could include baiting a fight, pushing or intimidation, will result in an automatic suspension from the league. I will explain this policy to all of my players.
- I understand that I am responsible for the behavior of my team's spectators. I will discourage rough and/or intimidating play.
- Myself, and my players, will conduct ourselves in a sportsmanlike manner at all times, on and off, the playing field.
- I understand that possession of, or being under the influence, of a controlled substance on YMCA property will result in immediate suspension from the league. In addition, I understand that the authorities will be contacted if such an incident occurs.
