## CAMP DESCRIPTION

Come join your friends for an amazing and adventurous canoe trip down the Colorado River. The lower Colorado River is moving flat water without rapids, just beautiful green flowing water. Black Canyon is near Hoover Dam, one of the greatest engineering feats in U.S. history, and one of the most pristine wilderness locations in the Lake Mead Recreation Area. You will canoe along the Colorado River through picturesque and rugged canyon country and make frequent stops to visit hot springs, sauna caves, hiking trails, and sandy beaches. This is a self-guided canoe trip with one overnight stay on a beach, under the stars next to the river.

## AMENITIES
