## PARTICIPANT AGREEMENT (READ BEFORE SIGNING):

1. I will provide all of my players with related league information and materials including league scheduling, rules, equipment requirements, etc.
2. I understand that the rained out games might not be made up depending on field availability. I also understand that if a game can be rescheduled it could be on an off day.
3. I will submit a roster with each player's name, correct information and parental signature by the 3rd week of the season. I will carry copies of player's birth certificates and/or player ID cards from their club.
4. I will pay the team fee in full by the 2nd game played. I also understand that failure to do so can result in forfeited games by my team.
5. I will discuss league rules and the YMCA Code of Conduct with my team and parents.
6. I understand that practices are not part of the league fees. I understand that if practice time is needed, it must be scheduled through the Sports Director (subject to field availability) and is an additional cost. Furthermore, I realize that current YMCA programs take precedent to any practice times needed and that all rentals are on a first come, first served basis.
7. Myself, assistant coaches, spectators, and/or players will not argue with the official, arena supervisor, Sports Coordinator, or Sports Director over a call/ruling during the game. I understand that doing so can result in dismissal from the league.
8. I understand that fighting, baiting a fight, foul/abusive language, pushing/intimidation, etc. will result in an automatic suspension from the league. I will explain this policy to my players, parents and assistant coaches. I will discourage rough and/or intimidating play.
9. I understand that I am responsible for the behavior of the team, coaching staff and spectators from our team.
10. Myself, assistant coaches, players and spectators will conduct themselves in good sportsmanlike behavior at all times on and off the playing field.
11. I understand that possession of, or being under the influence of a controlled substance on YMCA property will result in immediate suspension from the league. In addition, I understand that the authorities will be contacted if such an incident occurs.
