THE ADVENTURE BEGINS!

HOYA HOYA REDHAWK NATION!

Welcome to the 2016/2017 camping season! We have a spectacular season lined up to provide a great experience with your son(s). We will be starting the season at Del Mar Beach and ending at Catalina. In addition, we've added some new venues to mix up the camping experience like Paradise Springs in the mountains to soaking in the hot springs' heated pool of Agua Caliente.

As a nation, we will continue the tradition of focusing on the Six Aims and the core values they teach our children both on and off our camping trips. Our goal is to help create treasured moments and build lasting memories with stories to be told 10, 20, 30 or more years from now. "To be pals forever with our sons," is something we aspire to in the Redhawk Nation. These campouts allow our sons to gain new experiences and build life-long relationships; all the while affording us the opportunities to deepen our relationships with our sons and watch their character grow.

We encourage all Redhawk dads to invite new dads and sons into our nation so they can gain the lifetime benefits of investing time with their boy(s). Redhawk Nation has a great variety of tribes from a ten-person tribe to a hundred-person tribe. If you are a new dad looking for a nation that has it all, then Redhawk Nation is where you want to be.

In addition to the amazing volunteer tribe chiefs, the (S²) Sean and Shaun combo is honored to serve you, our dads and our braves, as the 2016-2017 Nation Chief and Medman!

Welcome to a year of fun and adventure with the Redhawk Nation!
